

NATIONAL FOUNDRY TRAINING CENTRE

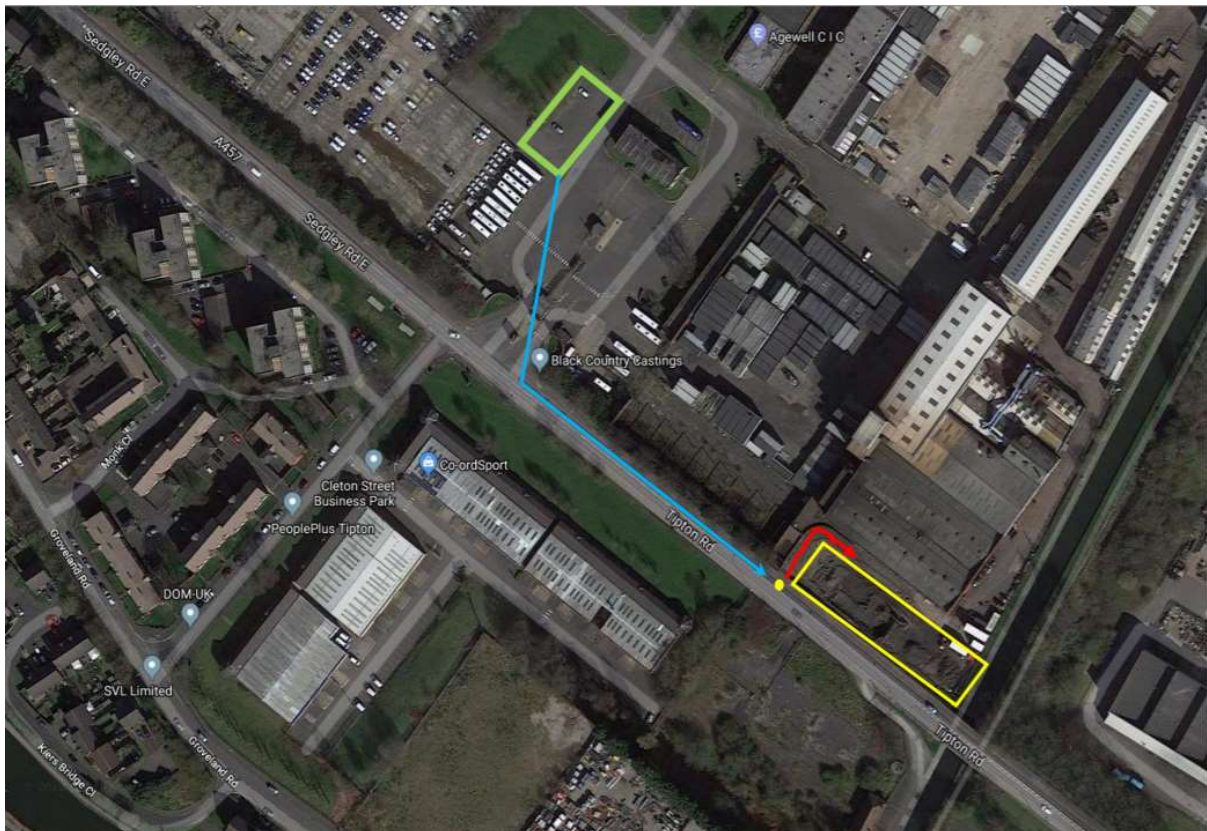

**Institute Cast Metals Engineers and
Foundry Training Services Limited**

Foundry Training Centre
Sedgley Road East / Tipton Road
Tipton
West Midlands
DY4 7UW
Telephone number: 01217521810

Please note, that some Satellite-Navigations systems do not recognise the above post code and if so, please use DY4 7UJ, this postcode takes you to the middle of the Vaughan trading estate by the parking area shown in the green box on the ariel view, below and our site, is located in the yellow box.

If travelling by car from along the A457 Tipton Road, we are the first turning immediately after the canal bridge or from the traffic lights on A461 Dudley Port, we are immediately after the Vaughan Trading Estate on the left. Parking will be available on site for up to 12 cars on the day and the site can be accessed directly by turning into it where the yellow dot is and following the red arrow to the spaces. Alternative parking is where the green box is located and by following the bright blue arrow along the footpath (circa 90 seconds) towards the yellow dot then following the red arrow.
